*Counsel for Richard Arrowsmith, Liquidating
Trustee of the HDL Liquidating Trust*

Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), seeking entry of a final decree (the “Final Decree”) substantially in the form attached hereto as Exhibit A, closing the jointly administered Chapter 11 cases (the “Cases”) of Health Diagnostic Laboratory, Inc., Central Medical Laboratory, Inc., and Integrated Health Leaders, LLC (collectively, the “Debtors”) and discharging American Legal Claim Services LLC (“ALCS”) of its duties as the Debtors’ claims, noticing, and balloting agent (the “Claims Agent”) in the Cases. In support of this Motion, the Liquidating Trustee states as follows:

JURISDICTION AND VENUE

1. The Court has jurisdiction over this matter pursuant to 28 U.S.C. sections 157 and 1334. This matter is a core proceeding within the meaning of 28 U.S.C. section 157(b)(2).
2. Venue is proper in this district pursuant to 28 U.S.C. sections 1408 and 1409.
3. The predicate for the relief requested herein is sections 105(a) and 350(a) of the Bankruptcy Code, and Bankruptcy Rule 3022.

FACTUAL AND PROCEDURAL BACKGROUND

4. On June 7, 2015, the Debtors filed with the United States Bankruptcy Court for the Eastern District of Virginia (the “Court”) voluntary petitions for relief under Chapter 11 of the Bankruptcy Code, commencing the Cases, styled *In re: Health Diagnostic Laboratory, Inc., et. al.*, and bearing case number 15-32919-KRH.

5. On June 9, 2015, the Court entered the *Order Authorizing the Appointment of American Legal Services, LLC as Claims, Noticing and Balloting Agent* [Docket No. 36], authorizing the Debtors to retain ALCS as the Claims Agent in the Cases. To date, ALCS continues to serve as the Claims Agent in the Cases. On the same date, the Court also entered the

Order Directing Joint Administration of the Chapter 11 Cases [Docket No. 42], consolidating the Cases for procedural purposes only.

6. The Court entered the *Order (I) Establishing Bar Dates for Filing Proofs of Claim and Certain Administrative Claims, (II) Approving the Form and Manner Thereof, and (III) Providing Certain Supplemental Relief* [Docket No. 640] on November 11, 2015, establishing December 22, 2015, as the bar date by which creditors must file proofs of claim asserting general unsecured claims and/or certain administrative claims pursuant to section 503(b) of the Bankruptcy Code.

7. On February 9, 2016, the Debtors filed their Second Amended Plan of Liquidation (as amended, confirmed, and/or modified from time to time, including without limitation by the Confirmation Order (as hereinafter defined), the “Plan”) [Doc. 852].²

8. On May 12, 2016, this Court entered an *Order Confirming the Debtors’ Second Amended Plan of Liquidation* (the “Confirmation Order”) [Docket No. 1095].

9. Under the terms of the Plan, on May 12, 2016 (the “Effective Date”), the Debtors and the Liquidating Trustee entered into the *Liquidating Trust Agreement* (the “LTA”), thereby granting, assigning, transferring, conveying, and delivering all of the Debtors’ rights, title, and interest in the Liquidating Trust Assets to the Liquidating Trust and the Liquidating Trustee for the benefit of the Liquidating Trust Beneficiaries and for the purpose of pursuing and/or disposing of the Liquidating Trust Assets in an orderly and expeditious manner and making distributions to the Liquidating Trust Beneficiaries in accordance with the Plan.

10. The Liquidating Trust was established pursuant to the Plan, which provided for the appointment of the Liquidating Trustee to administer the Liquidating Trust for the benefit of the

² All capitalized terms not defined herein shall have the meaning ascribed to them in the Plan.

Liquidating Trust Beneficiaries and to provide administrative services relating to the implementation of the Plan.

11. The duration of the Liquidating Trust has been extended by the Court from time to time to provide sufficient runway for the Liquidating Trustee to continue the operations and administration of the Liquidating Trust so that the Liquidating Trust Beneficiaries can receive maximum recoveries and distributions from the Liquidating Trust, which expires on May 13, 2026.³

12. To date, there are, on an aggregate basis, approximately 1,176 different filed proofs of claim, requests for allowance and payment of administrative expenses, cure claims, and/or otherwise scheduled or asserted claims against the Debtors (collectively, the “Claims” and each a “Claim”), totaling approximately \$3,333,178,731 in liabilities, 75 of which are administrative priority claims in the collective amount of approximately \$1,205,202,331.

13. Throughout the Cases, the Liquidating Trustee has worked diligently and efficiently to resolve or settle these Claims. In connection with the Claims, the Liquidating Trustee has filed numerous rounds of omnibus claims objections, seeking to expunge, reduce, and/or reclassify any contested Claims.

14. Moreover, the Liquidating Trustee has liquidated numerous assets and has pursued various avoidance action and other claims to recover property for the benefit of and to make distributions to the Liquidating Trust Beneficiaries.

15. Thus far, the Liquidating Trust has made several rounds of distributions to certain classes of creditors under the Plan, resulting in full payment of all allowed administrative claims,

³ For the avoidance of doubt, this Motion is not seeking to end the term of the Trust and the *Order Extending the Term of the HDL Liquidating Trust* entered on October 30, 2024 [Docket No. 5938], will remain in effect.

all allowed priority and other tax claims, and a forty two percent (42%) distribution to allowed claims of general unsecured creditors.

16. The Liquidating Trustee envisions that there will be one additional distribution to make before the term of the Liquidating Trust expires; however, the costs of the ongoing administration of the Cases does not justify keeping them open against the incremental percentage of potential additional distributions to creditors. In addition, the Liquidating Trustee submits that the work of collecting judgments and distributing additional funds to creditors can continue without the Cases being open, with all required litigation activity in the Cases having been recently concluded.

17. There are currently no motions, contested matters, or fee applications pending in the Cases. The only open items are certain adversary proceedings (the “Open Proceedings”). The Liquidating Trustee submits that some of the Open Proceedings are ripe for closure and will be dismissed or marked satisfied prior to the closing of the Cases. As to the remainder of the Open Proceedings, the Liquidating Trustee is still in the process of collecting amounts owed pursuant to judgments obtained in these cases. The vast majority of these Open Proceedings will likely be sold as part of an asset sale, which the Liquidating Trustee plans on pursuing after the Cases are closed. The Open Proceedings will only benefit creditors because any funds recovered by the Liquidating Trustee, through a judgment/remnant asset sale or otherwise, will be distributed pro rata to general unsecured creditors on account of previously allowed Claims.

18. The Liquidating Trust will continue to maintain a reserve to fund the remaining administrative tasks necessary to effectuate the relief sought herein and to fund any remaining tasks required prior to end of the term of the Liquidating Trust. No additional claims reconciliation or objections will be required, and the current claims objections deadline will expire on its terms

in December of 2024. Accordingly, to the extent any additional funds are recovered and distributions made, such processes do not warrant keeping the Cases open.

RELIEF REQUESTED

19. By this Motion, the Liquidating Trustee seeks entry of a final decree, pursuant to sections 105 and 350 of the Bankruptcy Code, and Bankruptcy Rule 3022, closing the Cases and discharging ALCS as the Claims Agent.

BASIS FOR RELIEF REQUESTED

A. The Court Should Close the Cases Because They Have Been Fully Administered.

20. After an estate is fully administered, a court, on motion of a party in interest, may grant a final decree closing a Chapter 11 case. *See* 11 U.S.C. § 350(a); Fed. R. Bankr. P. 3022.

21. The term “fully administered” is not defined by the Bankruptcy Code; however, the notes of the Advisory Committee on the Bankruptcy Rules to Bankruptcy Rule 3022 identify the following non-exclusive factors to be considered in determining whether a case has been fully administered:

- a) whether the order confirming the plan has become final;
- b) whether deposits required by the plan have been distributed;
- c) whether the property proposed by the plan to be transferred has been transferred;
- d) whether the debtor or the successor of the debtor under the plan has assumed the business or the management of the property dealt with by the plan;
- e) whether payments under the plan have commenced; and
- f) whether all motions, contested matters, and adversary proceedings have been finally resolved.

Fed. R. Bankr. P. 3022, Advisory Committee's note to 1991 amendment. “[T]hese factors are but a guide in determining whether a case has been fully administered, and not all factors need to be present before the case is closed.” *In re SLI, Inc.*, 2005 Bankr. LEXIS 132, *5 (Bankr. D. Del. June 24, 2005) (citation omitted). Under Bankruptcy Rule 3022, Bankruptcy Courts have flexibility in determining whether an estate is fully administered. *In re Union Home and Industrial, Inc.*, 375 B.R. 912, 916 (10th Cir. B.A.P. 2007).

22. The factors identified above support entering a final decree closing the Cases. The first factor is satisfied because the Confirmation Order is a final and non-appealable order. The remaining factors are satisfied because on the Effective Date, all the remaining assets of the Debtors were transferred to the Liquidating Trust, substantially all assets have been liquidated and distributed pursuant to the terms of the Plan, and substantially all of the Claims required to be paid pursuant to the Plan have been paid. Furthermore, the Liquidating Trustee has, both formally and informally, pursued a myriad of causes of action across the country, resulting in significant recoveries. All contested matters, motions, and adversary proceedings have been resolved with the exception of the Open Proceedings. The Open Proceedings, however, will not impact any creditors except that any funds recovered will be distributed pro rata to the unsecured creditors on account of their previously allowed Claims.

23. In addition to the factors noted above, Bankruptcy Courts also consider whether a plan has been substantially consummated in determining whether a case is fully administered. *See In re Gates Community Chapel of Rochester, Inc.*, 212 B.R. 220, 224 (Bankr. W.D.N.Y. 1997). The Bankruptcy Code defines the term “substantial consummation” as:

- a) transfer of all or substantially all of the property proposed by the plan to be transferred;

- b) assumption by the debtor or by the successor of the debtor under the plan of the business or management of all or substantially all of the property dealt with by the plan; and
- c) commencement of distribution under the plan.

11 U.S.C. § 1101(2). Here, there has been substantial consummation of the Plan. The property of the Debtors was transferred pursuant to the terms of the Plan to the Liquidating Trust, and moreover, the Liquidating Trustee has made distributions pursuant to the terms of the Plan as described in further detail below.

Administrative Claims

24. Pursuant to Article IV.1 of the Plan:

Unless otherwise agreed to by the Holder of an Allowed Administrative Claim and the Debtors or the Liquidating Trustee, as applicable, each Holder of an Allowed Administrative Claim (other than holders of Fee Claims and Claims for United States Trustee Fees) will receive in full and final satisfaction of its Administrative Claim an amount of Cash equal to the amount of such Allowed Administrative Claim either: (a) if an Administrative Claim is Allowed on or prior to the Effective Date, on the Effective Date or as soon as reasonably practicable thereafter (or, if not then due, when such Allowed Administrative Claim is due or as soon as reasonably practicable thereafter); (b) if such Administrative Claim is not Allowed as of the Effective Date, no later than 30 days after the date on which an order Allowing such Administrative Claim becomes a Final Order; (c) if such Allowed Administrative Claim is based on liabilities incurred by the Debtors in the ordinary course of their business after the Petition Date in accordance with the terms and conditions of the particular transaction giving rise to such Allowed Administrative Claim; (d) at such time and upon such terms as may be agreed upon by such Holder and the Debtors or the Liquidating Trustee, as applicable; or (e) at such time and upon such terms as set forth in an order of the Court. Notwithstanding the immediately preceding sentence, United States Trustee Fees shall be paid in accordance with the applicable schedule for payment of such fees.

25. Administrative claims have been paid in full in accordance with the Plan.

Fee Claims

26. Pursuant to Article IV.2 of the Plan:

All requests for payment of Fee Claims for services rendered and reimbursement of expenses incurred prior to the Confirmation Date must be filed and served in accordance with the Interim Compensation Procedures Order by the date that is 45 days after the Effective Date. The Court shall determine the Allowed amounts of such Fee Claims after notice and a hearing in accordance with the procedures established by the Bankruptcy Code. The Liquidating Trustee shall pay Fee Claims in Cash in the amount the Court allows from the Fee Claims Reserve, which the Liquidating Trustee will establish on the Effective Date and fund with Cash equal to the aggregate Fee Claims Estimate. Professionals shall deliver in writing to the Debtors their good faith estimates of the amount of such Professional's accrued unpaid Fee Claims through the Effective Date for purposes of the Debtors computing the Fee Claims Estimate prior to the commencement of the Confirmation Hearing. For the avoidance of doubt, no such estimate shall be deemed to limit the amount of the fees and expenses that are the subject of a Professional's final request for payment of Fee Claims filed with the Court. If a Professional does not provide an estimate, the Debtors or the Creditors' Committee may estimate the unpaid and unbilled fees and expenses of their respective Professionals. Any funds remaining in the Fee Claims Reserve after all Allowed Fee Claims have been paid shall become Available Cash and shall be distributed in accordance with the terms of the Plan and the Liquidating Trust Agreement. Notwithstanding the foregoing, the Holder of an Allowed Fee Claim may receive such other, less favorable treatment as may be agreed upon by such Holder and the Debtors.

27. To date, all Fee Claims submitted for approval have been paid in full in accordance with the Plan. The Liquidating Trustee will continue to pay any Fee Claims in the ordinary course in accordance with the LTA following the entry of the Final Decree closing the Cases. In addition, all United States Trustee fees have been paid in accordance with the applicable schedule for payment of such fees, and the Liquidating Trustee will continue to pay any United States Trustee fees that will come due prior to the entry of the order approving the Final Decree closing the Cases.

Priority Tax Claims

28. Pursuant to Article IV.3 of the Plan:

Except to the extent that a Holder of an Allowed Priority Tax Claim agrees to different treatment, each Holder of any Allowed Priority Tax Claim shall receive, on account of such Allowed Priority Tax Claim, at the discretion of the Debtors or the Liquidating Trustee, as applicable, (a) on the Effective Date or as soon as reasonably practicable thereafter, Cash in an amount

equal to the unpaid portion of such Allowed Priority Tax Claim, or (b) regular installment payments in cash of a total value, as of the Effective Date, equal to the allowed amount of such claim over a period ending not later than five (5) years after the Petition Date; provided, however, that all Allowed Priority Tax Claims that are not due and payable on or before the Effective Date shall be paid in the ordinary course of business as they become due. Notwithstanding the foregoing, the Holder of an Allowed Priority Tax Claim shall not be entitled to receive any payment on account of any penalty arising with respect to or in connection with the Allowed Priority Tax Claim. Any Claim or demand for any such penalty (a) will be subject to treatment as an Unsecured Claim, if and to the extent it is an Allowed Claim, and (b) the Holder of an Allowed Priority Tax Claim shall not assess or attempt to collect such amounts from the Debtors, the Estates, the Liquidating Trustee, or the Liquidating Trust except as an Unsecured Claim, if and to the extent it is an Allowed Claim.

29. Priority Tax Claims have been paid in full in accordance with the Plan.

Class 1 Priority Non-Tax Claims

30. Pursuant to Article IV.4 of the Plan:

Each Holder of an Allowed Class 1 Priority Non-Tax Claim shall be paid 100% of the unpaid amount of such Allowed Claim in Cash on the Initial Distribution Date. Notwithstanding the foregoing, the Holder of an Allowed Class 1 Priority Non-Tax Claim may receive such other, less favorable treatment as may be agreed upon by such Holder and the Debtors or the Liquidating Trustee.

31. Priority Non-Tax Claims have been paid in full in accordance with the Plan.

Class 2 Secured Claims

32. Pursuant to Article IV.5 of the Plan:

Except to the extent that the Holder of an Allowed Claim in Class 2 agrees to less favorable treatment, each Holder of an Allowed Claim in Class 2 shall be satisfied by, at the option of the Debtors or the Liquidating Trustee, as applicable: (i) payment in Cash in full on the later of the Effective Date and the date such Claim becomes Allowed, or as soon thereafter as is practicable; (ii) surrender to the Holder of such Allowed Claim of the Collateral securing such Allowed Claim; or (iii) such treatment that leaves unaltered the legal, equitable, and contractual rights to which the Holder of the Allowed Claim is entitled. In the event an Allowed Claim in Class 2 is treated under clause (i) above, the Liens securing such Claim shall be

deemed released and extinguished without further order of the Court. In the event an Allowed Claim in Class 2 is treated under clause (ii) or (iii), and such Holder has a deficiency claim, such deficiency claim shall be subject to treatment as a Class 3 Unsecured Claim, if and to the extent such deficiency claim is an Allowed Claim.

33. All allowed Class 2 Secured Claims have been paid in full in accordance with the Plan.

Class 3 General Unsecured Claims

34. Pursuant to Article V.1 of the Plan:

Except to the extent that the Holder of an Allowed Claim in Class 3 agrees to less favorable treatment, each Holder of an Allowed Claim in Class 3 shall be satisfied by receipt of its Ratable Share of Series A Liquidating Trust Interests, which shall entitle such Holder to its Ratable Share of Liquidating Trust Distributions until the principal amount of such Holder's Allowed Class 3 Claim is satisfied in full, and, after the principal amount of Allowed Class 4 Claims are satisfied in full, postpetition interest at the Federal Judgment Rate.

35. All allowed Class 3 General Unsecured Claims have been paid in accordance with the terms of the Plan, which payments equate to approximately a collective 42% distribution.

36. Pursuant to the terms of the Plan, no distributions were made on account of Class 4 Subordinated Claims and Class 5 Interests. Accordingly, the Plan has been substantially consummated and, therefore, fully administered pursuant to the terms of the Plan. A Final Account attached hereto as **Exhibit B** further details the distributions made pursuant to the Plan.

37. In addition to the reasons noted above supporting entry of the Final Decree, the Liquidating Trustee submits that closing the Cases will relieve the Liquidating Trustee from the costs of continuing to administer the Cases, including payment of quarterly fees and filing of quarterly post-confirmation reports. In the unlikely event that the Liquidating Trustee needs any further relief from the Court, he will maintain the ability to move the Court to reopen one or more of the closed Cases.

B. The Court Should Terminate ALCS as the Claims Agent in the Cases.

38. Once the Cases are closed, ALCS's services will no longer be necessary in the Cases. ALCS consents to this aspect of the requested relief in the Motion, and the Liquidating Trustee will coordinate with ALCS regarding the termination of its services related to the Cases. As necessary, the Liquidating Trustee will also coordinate with ALCS and the Court regarding the transfer of copies of all proofs of claim and related registers to the Clerk of Court, or as otherwise directed by the Court or the Clerk of Court.⁴ The Liquidating Trustee anticipates receiving services from ALCS following the closure of the Cases, including assistance with the final distribution to the holders of allowed general unsecured claims.

WAIVER OF LOCAL RULE 9013-1(F)

39. The Liquidating Trustee respectfully requests that this Court treat this Motion as a written memorandum of points and authorities and waive any requirement that the Motion be accompanied by a written memorandum of points and authorities as described in Local Bankruptcy Rule 9013-1(F) of the Local Rules of this Court.

NOTICE

40. Notice of this Motion is being provided to the Core Parties and the 2002 List in accordance with the Case Management Procedures. Due to the nature of this request, the Liquidating Trustee submits that no further notice is required.

WHEREFORE, the Liquidating Trustee respectfully requests that the Court: (i) approve the Final Report; (ii) enter the Final Decree closing the Cases substantially in the form attached

⁴ There will likely be at least one distribution to creditors after the Cases are closed pursuant to any final decree approved by the Court. For the avoidance of doubt, the Liquidating Trustee is only requesting to terminate the services of ALCS as the Claims Agent in these Cases. ALCS will continue to be employed by the Liquidating Trustee after the Cases are closed.

hereto as **Exhibit A**; (iii) discharge ALCS as the Claims Agent in the Cases; and (iv) grant to the Liquidating Trustee such other and further relief as the Court may deem just and proper.
